Dear _____,

Merry Christmas Eve! As you can see from your stocking and all the presents under the tree, my sleigh made it to your house last night! I'm glad you're a sound sleeper, because I think I made a little too much noise dragging my Santa sack into your house.

I appreciate all your work you did to stay on the "nice" list this year. I know it's hard to be good all the time, but I keep an eye out and I know you're a great kid.

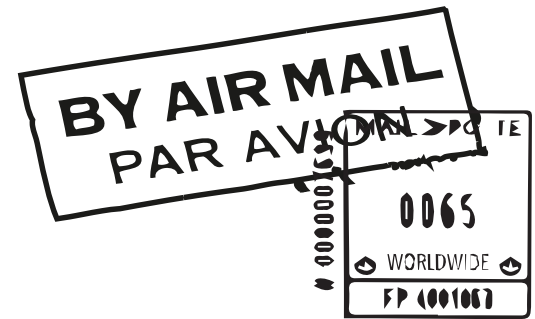

Have fun opening your presents tomorrow but remember what the day is really about: celebrating the love your family shares with one another. Be sure to take a minute today to tell the people who love you how much you appreciate them.

After all, it wouldn't be Christmas without Christmas Spirit!

Yours Truly,

Santa Claus
